

## Day 10 – More Missing Word Puzzles

Just as in Day 3, in each missing word puzzle, a word or words are missing, replaced by their first letter. To solve each puzzle, you need to find the missing words. Here's an example of how they work:

example: 12 I in a F has the solution "12 INCHES in a FOOT"

Here are ten for you to try - Good Luck!

- |                 |                      |
|-----------------|----------------------|
| 2 P in a P      | <input type="text"/> |
| 2 H in a W      | <input type="text"/> |
| 3 A in a T      | <input type="text"/> |
| 4 ES in a S     | <input type="text"/> |
| 5 F on each H   | <input type="text"/> |
| 7 D in a W      | <input type="text"/> |
| 10 D in a D     | <input type="text"/> |
| 12 M in a Y     | <input type="text"/> |
| 60 M in an H    | <input type="text"/> |
| A the W in 80 D | <input type="text"/> |
