

Tangram

Challenge's

50 Tangram Puzzles

Using 2,3,4,5 and 7 Tangrams

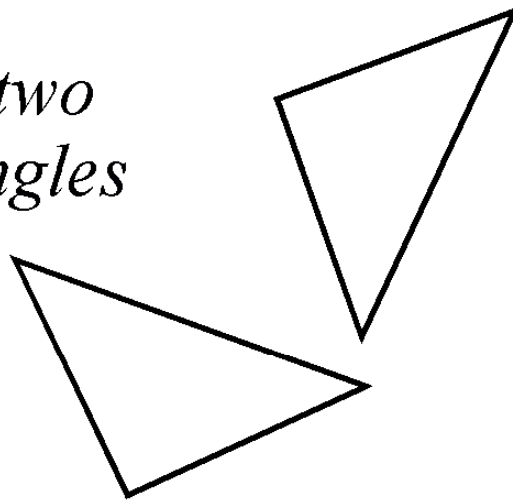

to make

*triangles,
rectangles,
parallelograms,
squares
trapezoids*

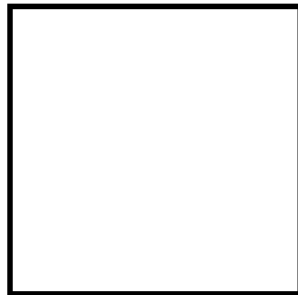

AGreat Introduction to Tangrams and their Spatial Relationships

Tangram Challenge

*With the two
large triangles*

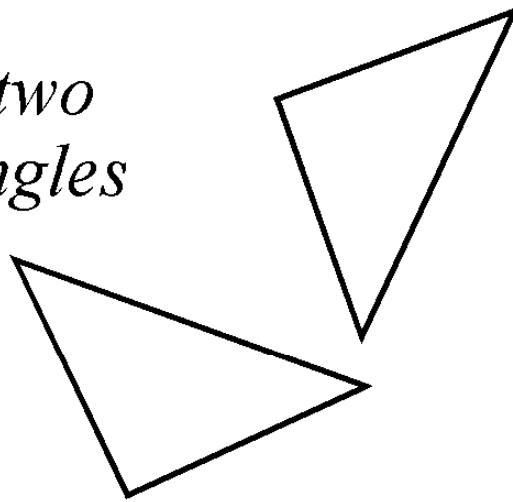

Can you make a square?

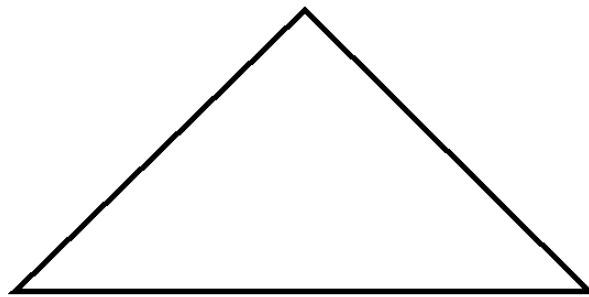

Tangram Challenge

*With the two
large triangles*

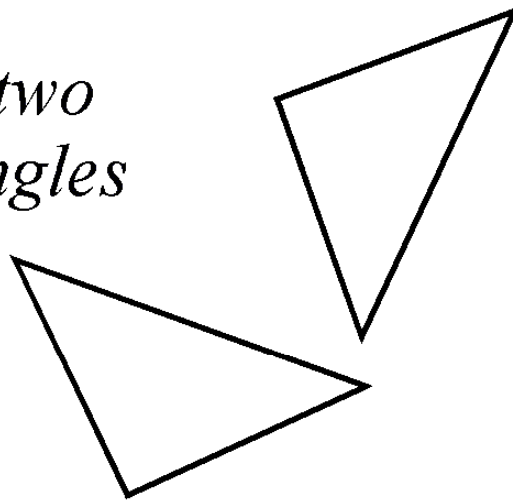

Can you make a triangle?

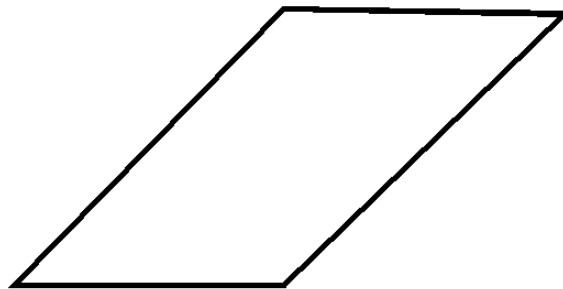

Tangram Challenge

*With the two
large triangles*

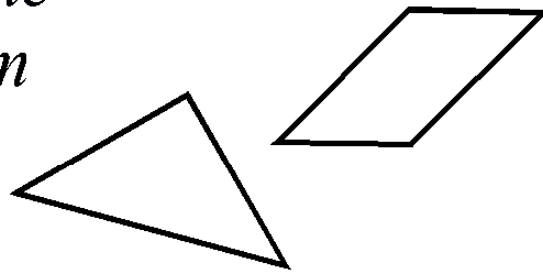

Can you make a parallelogram?

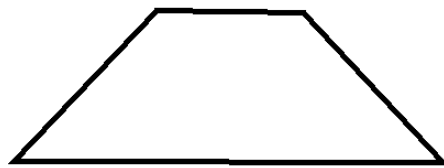

Tangram Challenge

*With the medium
triangle and the
parallelogram*

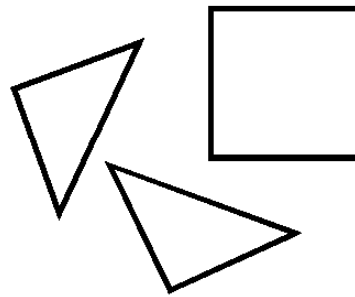

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles and
the square*

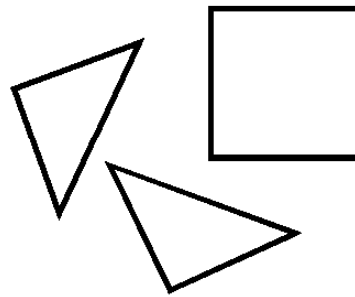

Can you make a rectangle?

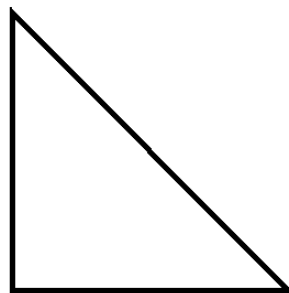

Tangram Challenge

*With the two
small triangles and
the square*

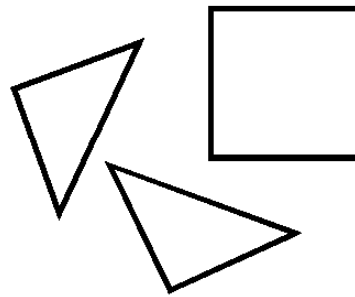

Can you make a triangle?

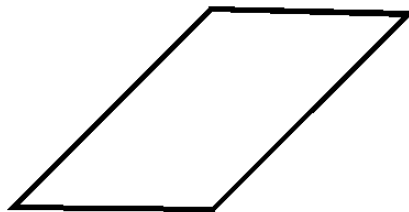

Tangram Challenge

*With the two
small triangles and
the square*

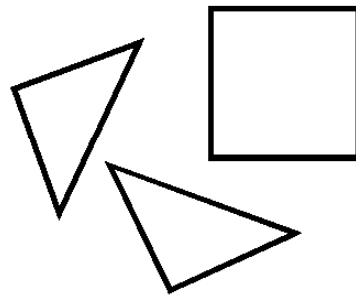

Can you make a parallelogram?

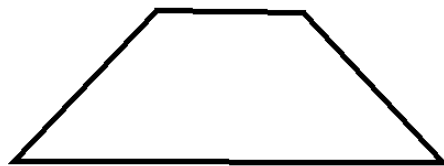

Tangram Challenge

*With the two
small triangles and
the square*

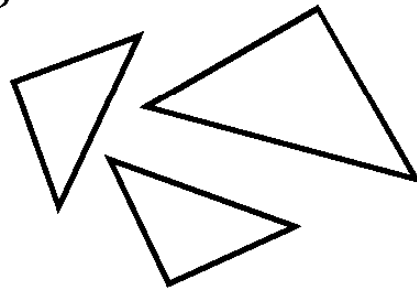

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles and
the medium triangle*

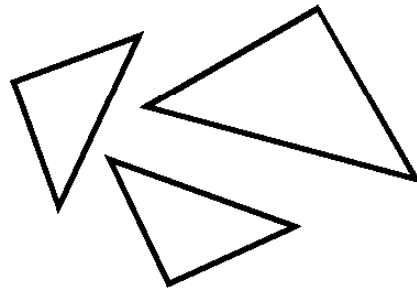

Can you make a rectangle?

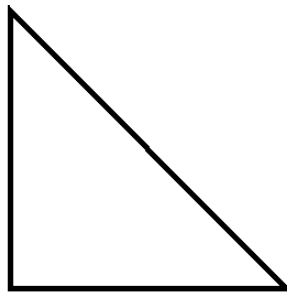

Tangram Challenge

*With the two
small triangles and
the medium triangle*

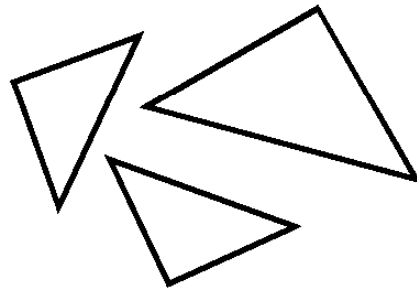

Can you make a triangle?

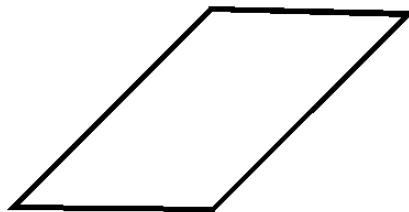

Tangram Challenge

*With the two
small triangles and
the medium triangle*

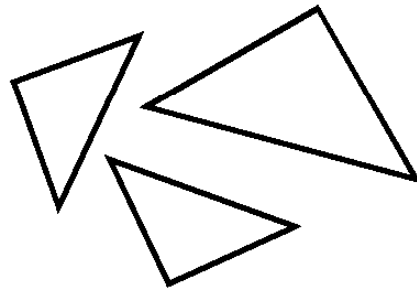

Can you make a parallelogram?

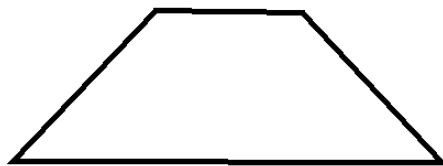

Tangram Challenge

*With the two
small triangles and
the medium triangle*

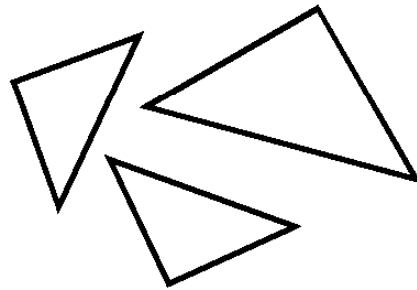

Can you make a trapezoid?

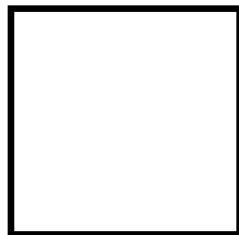

Tangram Challenge

*With the two
small triangles and
the medium triangle*

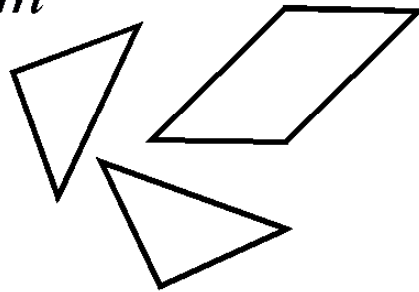

Can you make a square?

Tangram Challenge

*With the two
small triangles and
the parallelogram*

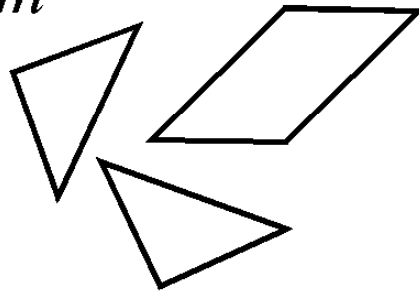

Can you make a rectangle?

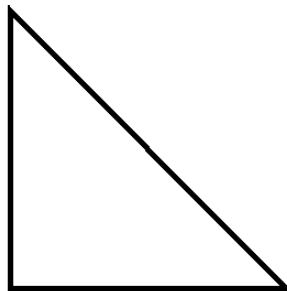

Tangram Challenge

*With the two
small triangles and
the parallelogram*

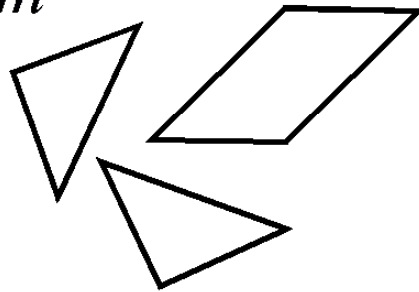

Can you make a triangle?

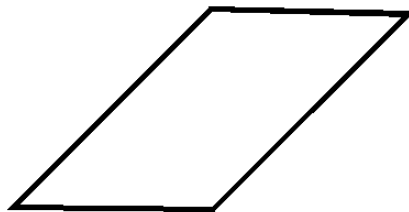

Tangram Challenge

*With the two
small triangles and
the parallelogram*

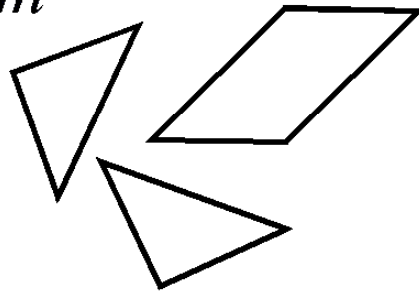

Can you make a parallelogram?

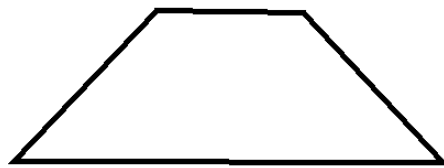

Tangram Challenge

*With the two
small triangles and
the parallelogram*

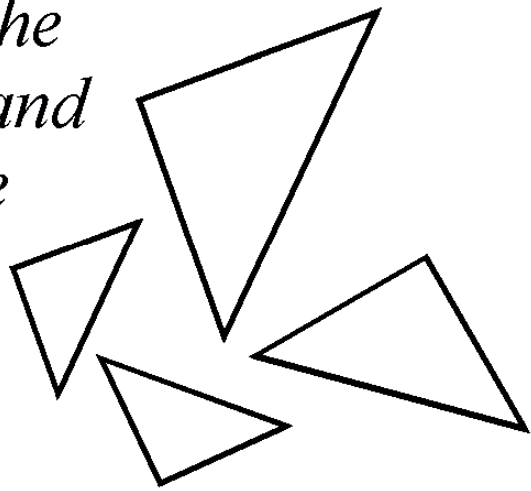

Can you make a trapezoid?

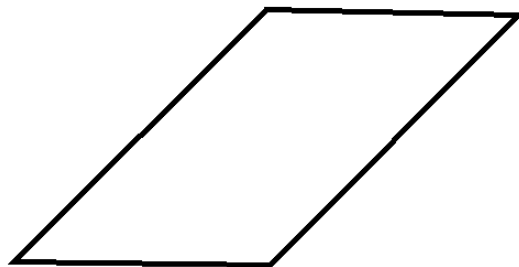

Tangram Challenge

*With the two
small triangles, the
medium triangle and
a large triangle*

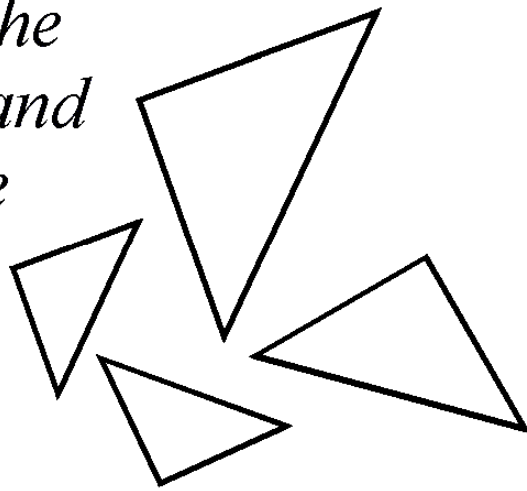

Can you make a parallelogram?

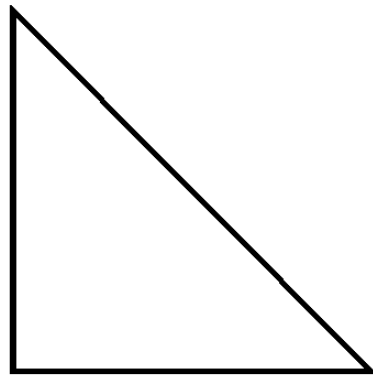

Tangram Challenge

*With the two
small triangles, the
medium triangle and
a large triangle*

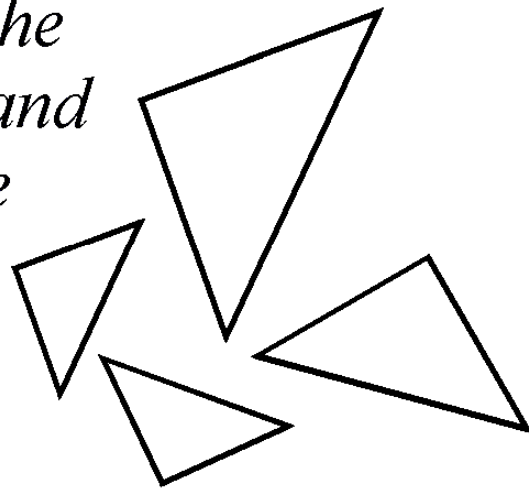

Can you make a triangle?

Tangram Challenge

*With the two
small triangles, the
medium triangle and
a large triangle*

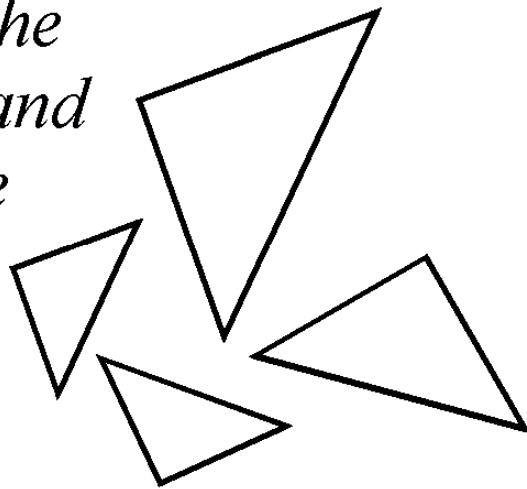

Can you make a rectangle?

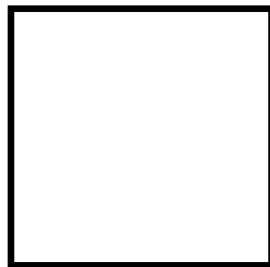

Tangram Challenge

*With the two
small triangles, the
medium triangle and
a large triangle*

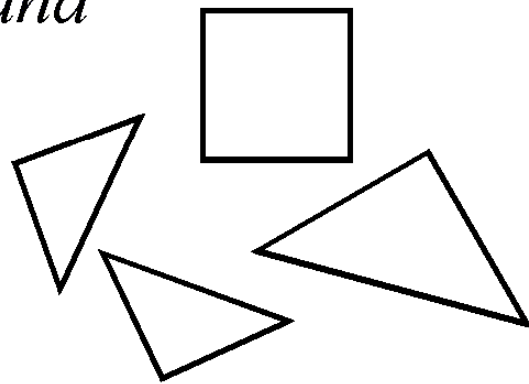

Can you make a square?

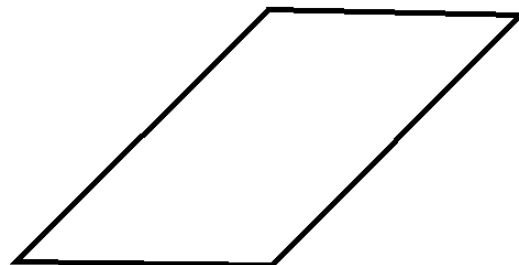

Tangram Challenge

*With the two
small triangles, the
medium triangle and
the square*

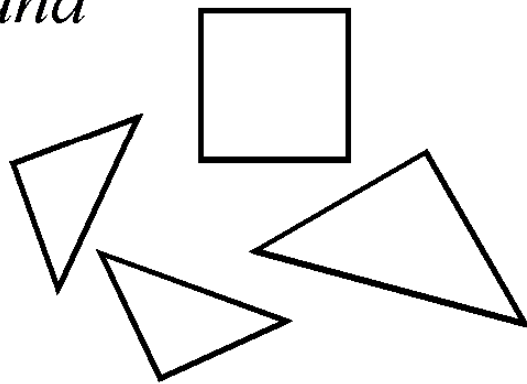

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles, the
medium triangle and
the square*

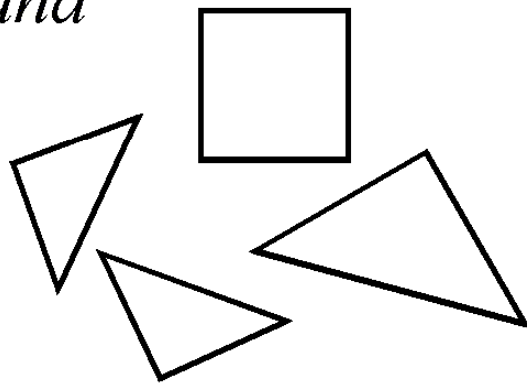

Can you make a rectangle?

Tangram Challenge

*With the two
small triangles, the
medium triangle and
the square*

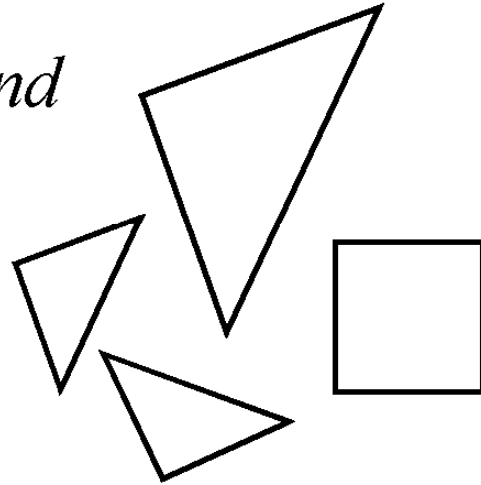

Can you make a trapezoid?

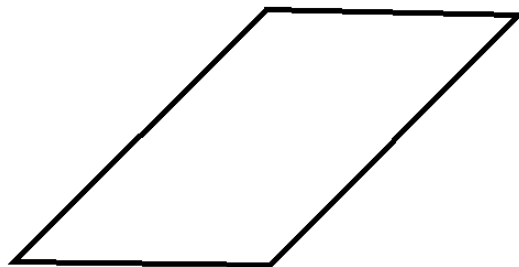

Tangram Challenge

*With the two
small triangles,
a large triangle and
the square*

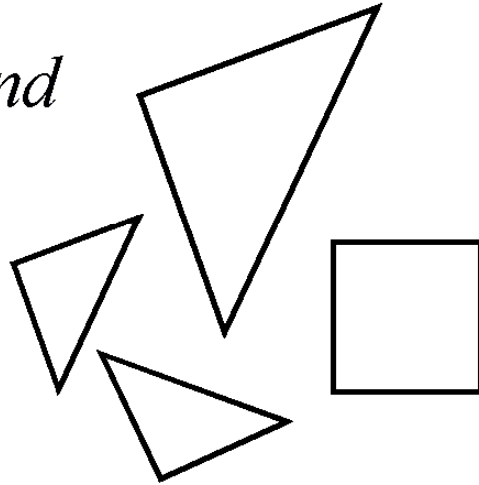

Can you make a parallelogram?

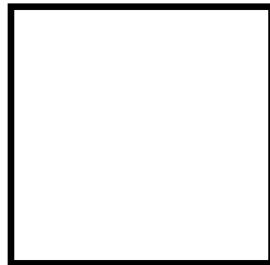

Tangram Challenge

*With the two
small triangles,
a large triangle and
the square*

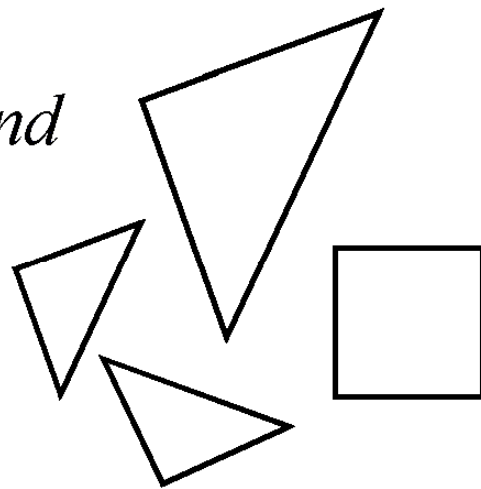

Can you make a square?

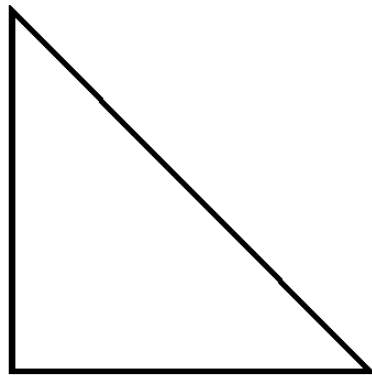

Tangram Challenge

*With the two
small triangles,
a large triangle and
the square*

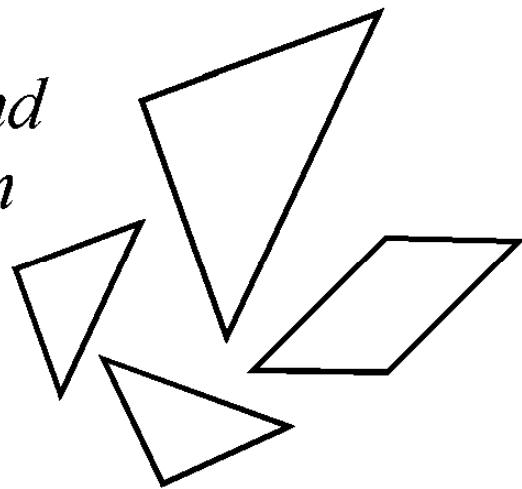

Can you make a triangle?

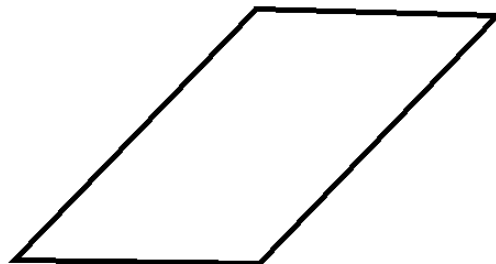

Tangram Challenge

*With the two
small triangles,
a large triangle and
the parallelogram*

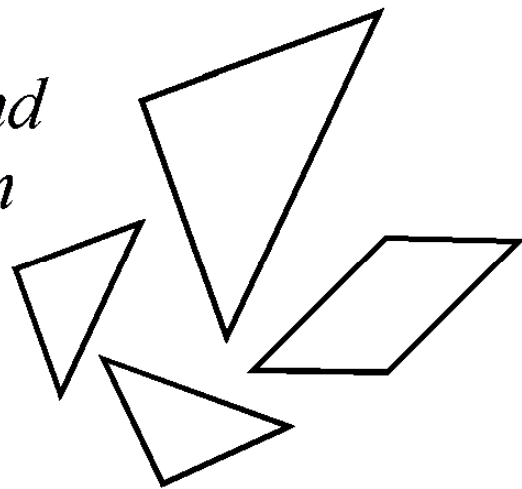

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles,
a large triangle and
the parallelogram*

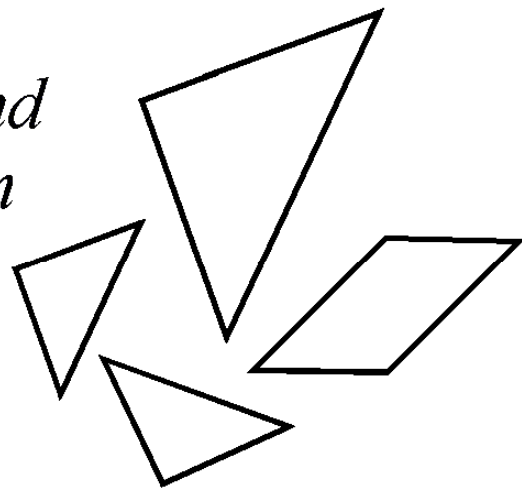

Can you make a square?

Tangram Challenge

*With the two
small triangles,
a large triangle and
the parallelogram*

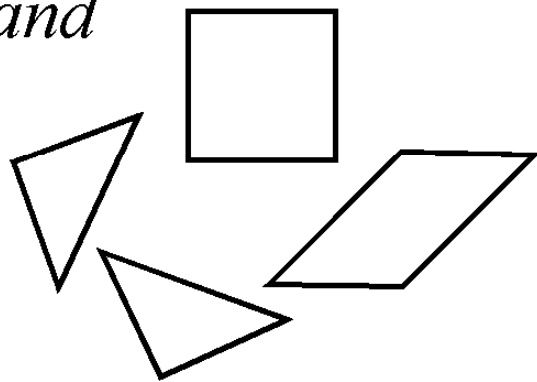

Can you make a triangle?

Tangram Challenge

*With the two
small triangles,
the parallelogram and
the square*

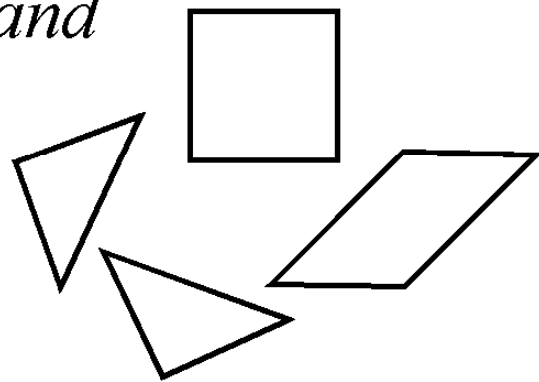

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles,
the parallelogram and
the square*

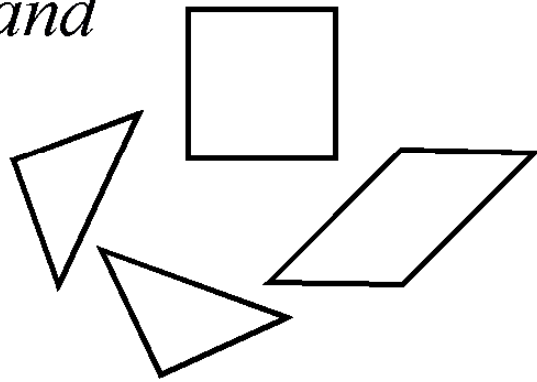

Can you make a rectangle?

Tangram Challenge

*With the two
small triangles,
the parallelogram and
the square*

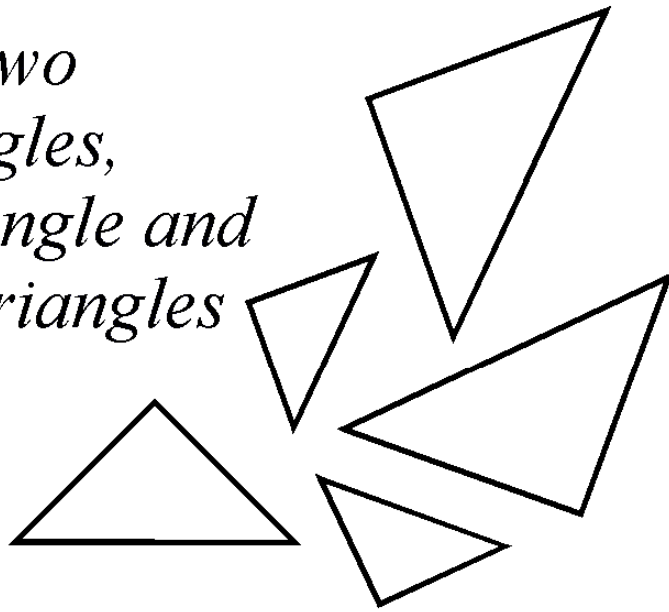

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles,
the medium triangle and
the two large triangles*

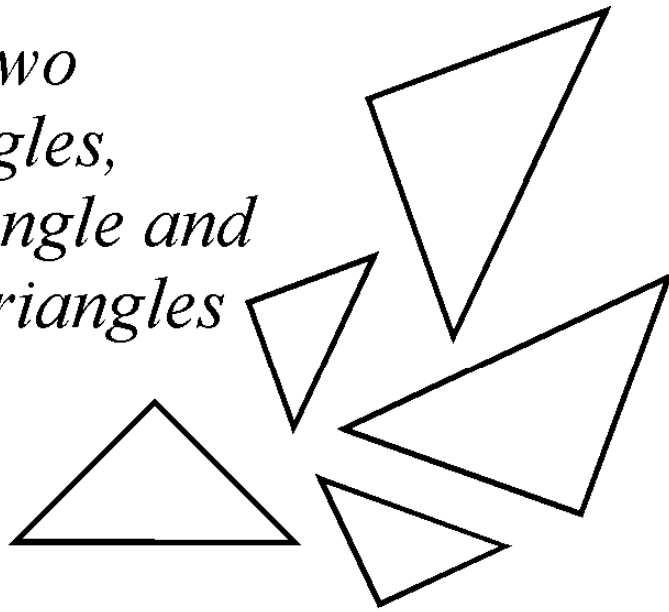

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles,
the medium triangle and
the two large triangles*

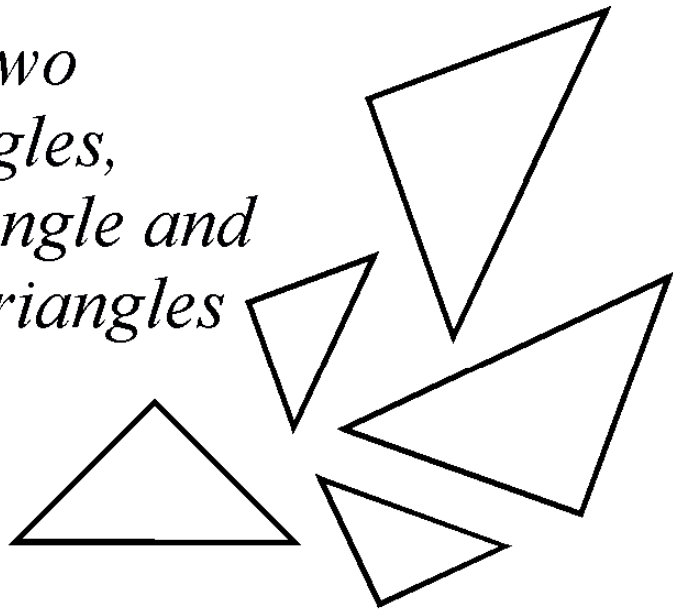

Can you make a rectangle?

Tangram Challenge

*With the two
small triangles,
the medium triangle and
the two large triangles*

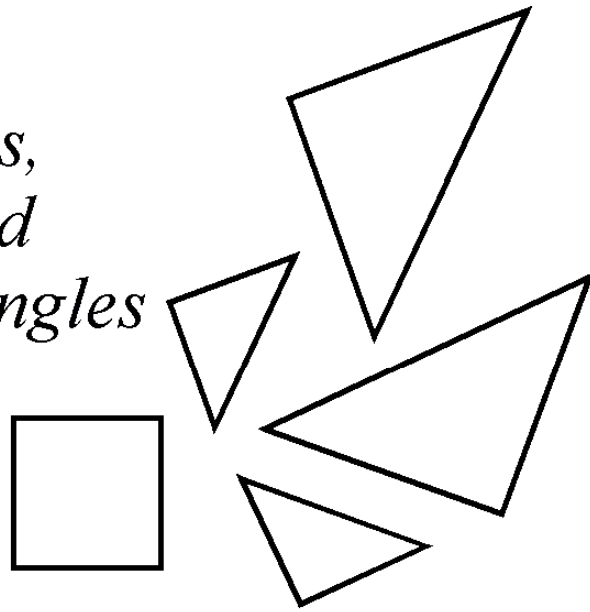

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles,
the square and
the two large triangles*

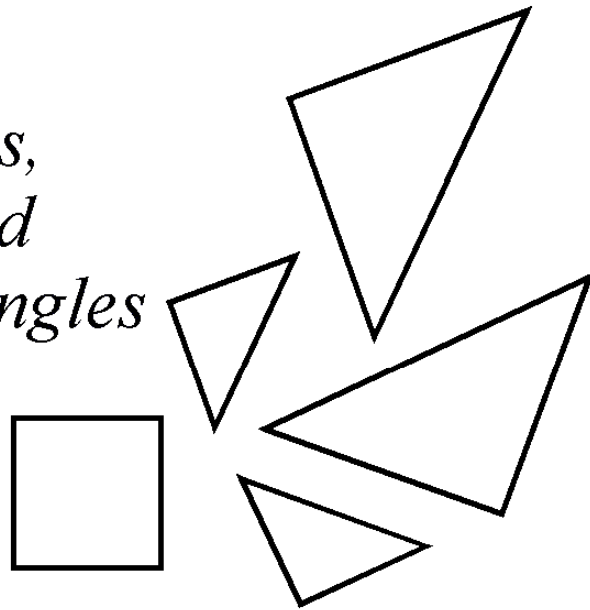

Can you make a parallelogram?

Tangram

Challenge

*With the two
small triangles,
the square and
the two large triangles*

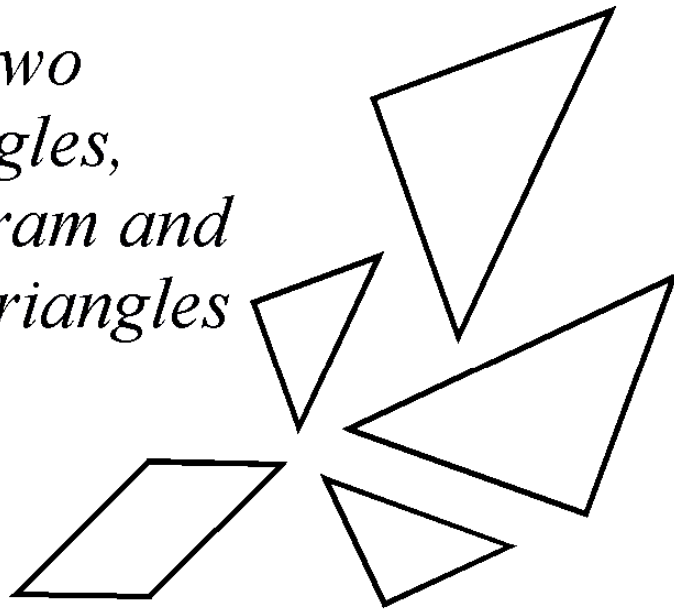

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles,
the parallelogram and
the two large triangles*

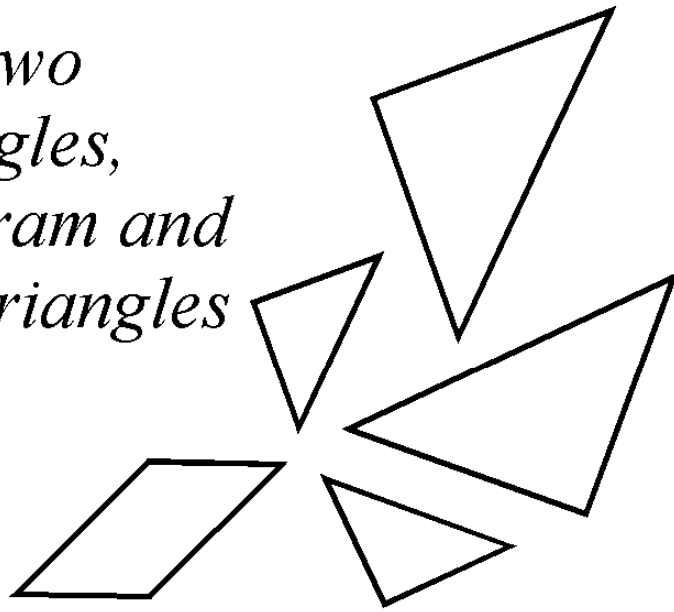

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles,
the parallelogram and
the two large triangles*

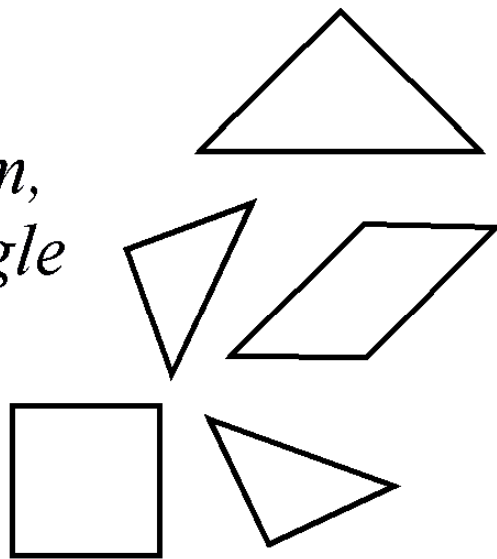

Can you make a trapezoid?

Tangram Challenge

*With the two
small triangles,
the parallelogram,
the medium triangle
and the square*

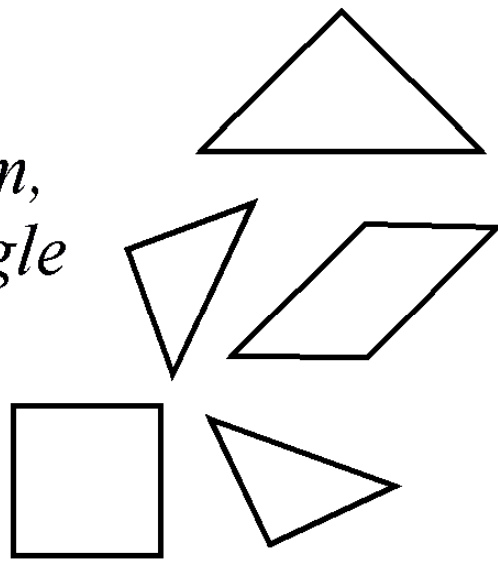

Can you make a parallelogram?

Tangram Challenge

*With the two
small triangles,
the parallelogram,
the medium triangle
and the square*

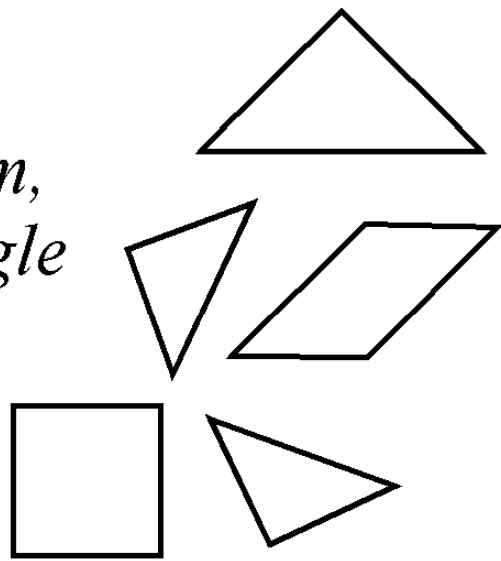

Can you make a rectangle?

Tangram Challenge

*With the two
small triangles,
the parallelogram,
the medium triangle
and the square*

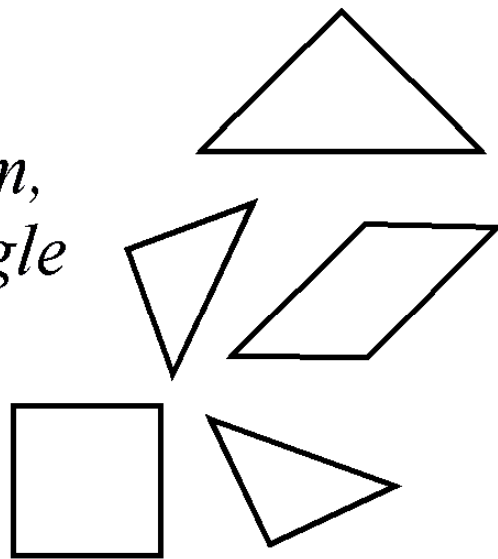

Can you make a trapezoid?

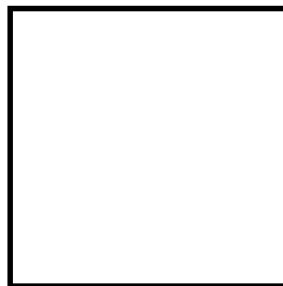

Tangram Challenge

*With the two
small triangles,
the parallelogram,
the medium triangle
and the square*

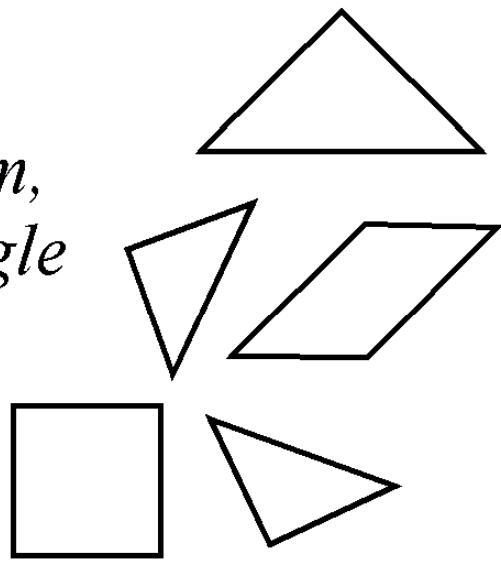

Can you make a square?

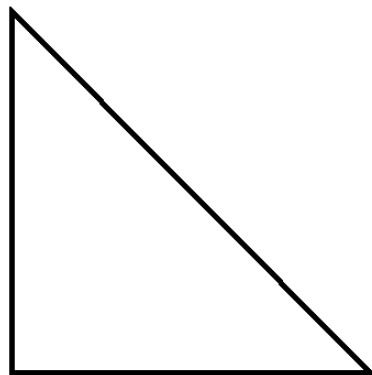

Tangram Challenge

*With the two
small triangles,
the parallelogram,
the medium triangle
and the square*

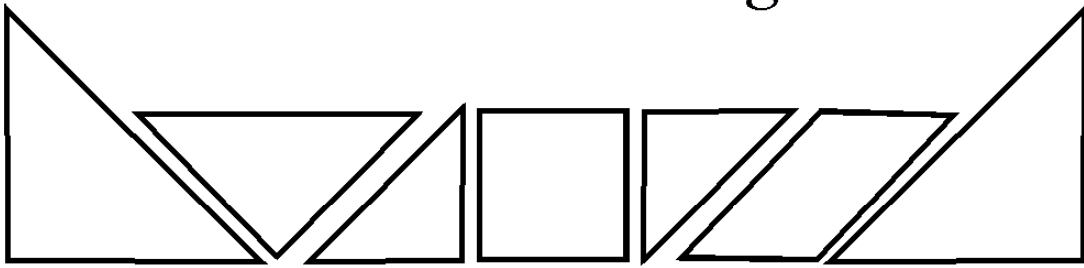

Can you make a triangle?

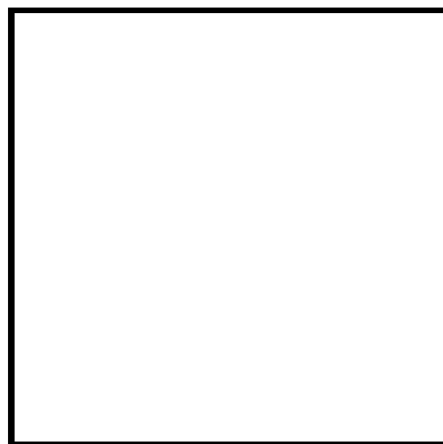

Tangram Challenge

With all seven tangrams

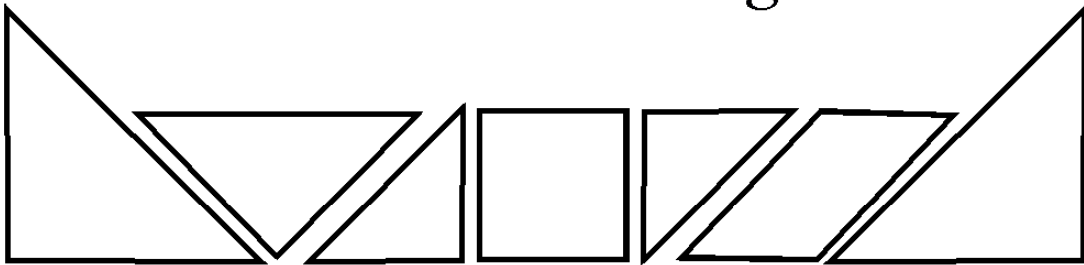

Can you make a square?

Tangram Challenge

With all seven tangrams

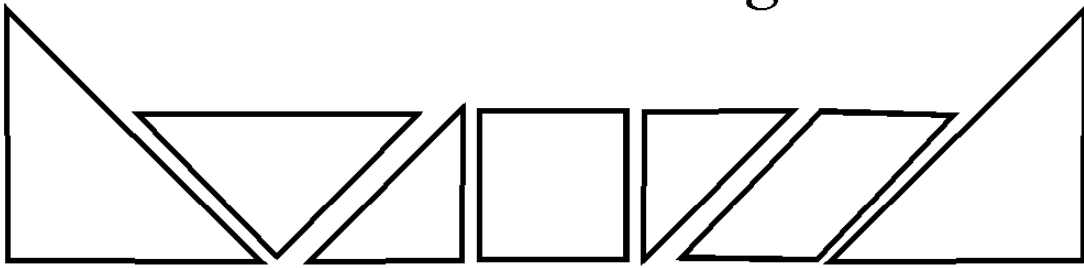

Can you make a rectangle?

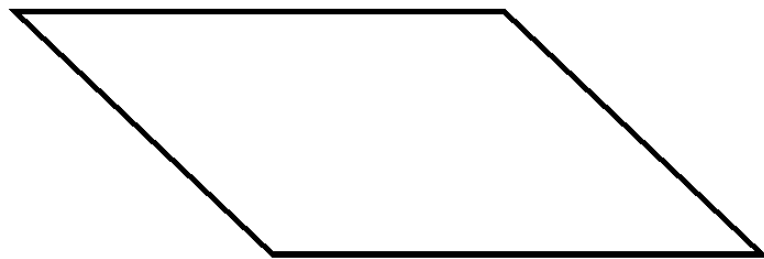

Tangram Challenge

With all seven tangrams

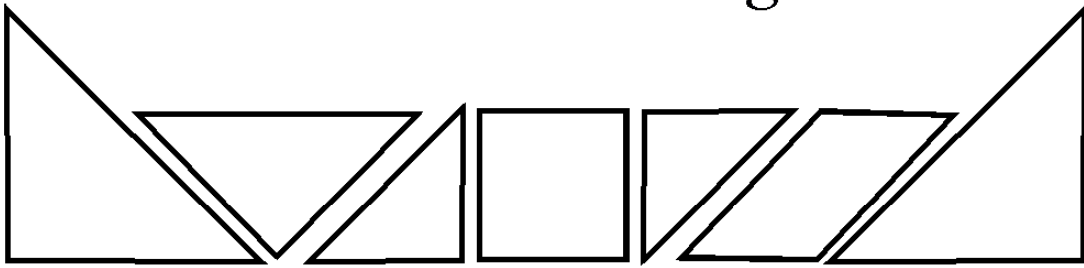

Can you make a parallelogram?

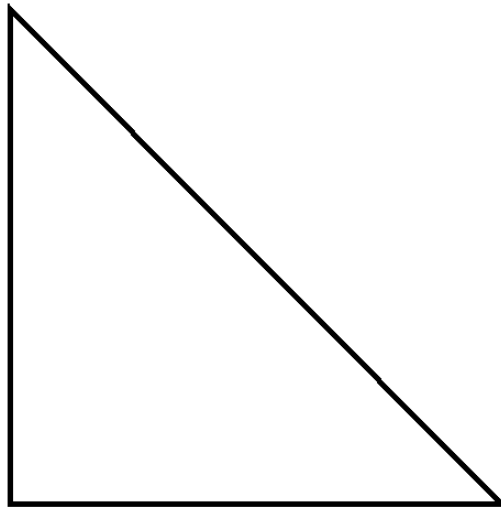

Tangram Challenge

With all seven tangrams

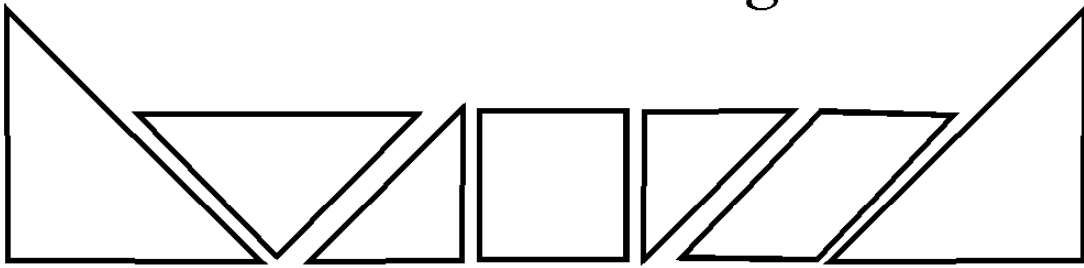

Can you make a triangle?

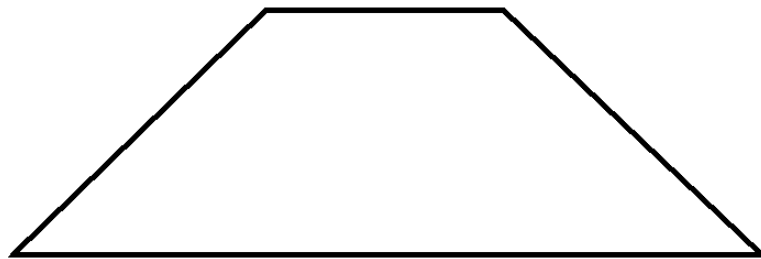

Tangram Challenge

With all seven tangrams

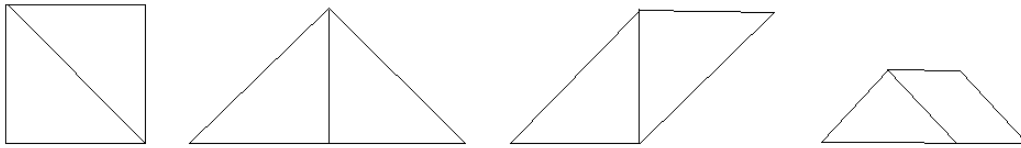

Can you make a trapezoid?
